Dear DayMet Credit Union,

Our business has received an invitation for membership at DayMet Credit Union as a Select Group. Helping our employees achieve their financial goals is important to the company. We further request to be submitted to the State of Ohio and listed as an official Select Group. Please contact us to arrange a date for orientation and provide brochures to our staff. We encourage financial health and wish to begin including DayMet Credit Union in our benefits package for all our employees.

Regards,
