

CARFAX[®] VEHICLE HISTORY REPORT^{™*} AT DayMet Credit Union

This certificate entitles the bearer to one (1) CARFAX Vehicle History Report, redeemable exclusively at DayMet Credit Union

For your own car or one you are considering purchasing, use the space below to copy the 17 digit vehicle identification number (VIN) from the vehicle's dashboard or title document. Then take this completed certificate to DayMet Credit Union to receive your CARFAX Vehicle History Report.

CARFAX is the most trusted provider of vehicle history information and is relied on by millions of consumers each year. The company has built the most comprehensive vehicle history database ever assembled with over 20 billion records covering virtually all cars, light trucks and SUVs manufactured in the U.S. since 1981. CARFAX collects vehicle data from more than 100,000 sources, including all state DMVs and many police departments, service facilities and collision centers.

*The CARFAX Vehicle History Report is offered to you by DayMet Credit Union and may only be redeemed at branches of DayMet Credit Union
